Essity

Essity (formerly SCA) is a leading global hygiene and health company. In North America, Essity develops and produces the leading global brands TENA, Tork and BSN medical. At TENA, we are committed to providing better continence care for all, and we understand that each situation and individual is unique. With 50 years of experience, we partner with you to tailor solutions that offer optimum fit and functionality, improving quality of care. We support you in delivering rewarding continence care that improves your residents' quality of life, and the efficiency of your Long-Term Care Home.

A NBANH Corporate Member since 2018.
